RESPONSE TO OFFICE COMMUNICATION/DETAILED ACTION

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dated: June 6, 2005

S I R :

In response to the Office Communication mailed May 4, 2005 in the above-identified application, please consider the following remarks.

The Amendment filed February 3, 2005 was objected to in the above-identified Office Communication as allegedly introducing new matter into the disclosure. It is respectfully submitted that the Amendment dated February 3, 2005 did not introduce new matter, but only clarified that which was already disclosed.

IN THE TITLE

With respect to the objection to the title, please amend the title to read as follows:

-- A device for assisting an airplane in intercepting a
segment of a flight path utilizing positional and ground speed
indicators. --
